Welcome Wyoming Legion Baseball Fans!

I would like to personally welcome you to the 2019 Wyoming AA State Tournament in Gillette, Wyoming. We are excited to host this tournament and feel like our facilities, the City of Gillette, and our Post 42 Legion baseball program will make this a memorable experience for all.

This year's State Tournament will start Friday, July 26 and conclude on Tuesday, July 30. You can find the bracket to the tournament inside the State Tournament program. You can also view the bracket and other state tournament information on our website at www.gilletteriders.com

Teams will be allowed a pre-game infield/outfield prior to games, which will be limited to 10 minutes per team. There will be no pre-game hitting allowed in either cages (unless you are the first game of the day), due to distractions to the game being played. All pre-game hitting can be done at our Babe Ruth fields, which are just a couple of blocks from Roughrider Stadium on Warlow Drive. Each team will have an allotted time to use the cages, so that both teams are not trying to use the same cage at the same time. If there is time in between games, you can use the 3rd base batting cage.

We will have a free picnic dinner for all players and coaches on Thursday, July 25th at 7:00 pm. Following the meal, we will also have the coaches and umpires meeting for the tournament.

We hope your experience is first class and please let me know if I can do anything to accommodate you.

Sincerely,

Steve Laakso
